### About This Form

Submitting this form allows local police and fire agencies to **contact you**, in the event of an incident (break-in, fire, etc.) at your business. Information will be used only **in the event of an emergency**.

### Instructions

Thank you for submitting emergency contact information for your business. This information will only be used in the event of an after-hours emergency or incident at your business. It would be necessary for that person to respond with keys to the property, and a proper alarm code if applicable.
