Additional Notes:

Applicable exemptions may include: 100% Principal Residence Exemption (PRE), Qualified Ag, Qualified Forest or Industrial Personal Property

Millages levied in July are in bold print.

For the City of St Ignace, the millages for local school debt and operating are split evenly between the summer and winter tax bills.

The MDNR reports 21,460.15 acres of land on the Commercial Forest Roll for Tax Year 2018 - which is subject to a specific tax rate that varies between \$1.15 and \$1.30/acre until 2021; line item veto by Governor as of 10.18.19

Properties classified Industrial Personal Property (351) are entitled to a 100% exemption from State education and local school operating millage, deduct those two millages from total annual tax rate

For those properties classified Commercial Personal Property (251), deduct 12 mills from school operating millage from total annual tax rate

For those properties qualified for less than 100% exemption from school operating millage, deduct exemption percentage of school operating millage from total annual tax rate.

No 2019 November ballot proposals are expected to effect a change in millage rates reported
