Millages levied in July are in bold print.

For the Brevort and St. Ignace Townships and the City of St Ignace, the millages for local school debt and operating are split between the summer and winter tax bills.

For Marquette Township, the Les Cheneaux Area School millage is levied Dec 1

The MDNR reports 21,460.15 acres of land on the Commercial Forest Roll for Tax Year 2018 - which is subject to a specific tax rate that varies between \$1.15 and \$1.30/acre until 2021.

Properties classified Industrial Personal Property (351) are entitled to a 100% exemption from State education and local school operating millage, deduct those two millages from total annual tax rate

For those properties classified Commercial Personal Property (251) , deduct 12 mills from school operating millage from total annual tax rate

For those properties qualified for less than 100% exemption from school operating millage, deduct exemption percentage of school operating millage from total annual tax rate.

No 2020 November ballot proposals are expected to effect a change in millage rates reported
